

LANX Fabric Systems

Chemical Protective Apparel and Fabrics

29 September 2005

George Rybarczyk
CREATIVE APPAREL ASSOCIATES
P.O. Box 208
Belfast, Maine 04915

George,

As LANX Fabric Systems begins its fifteenth year of business, I wanted to take a moment to thank you and all of our friends at Creative Apparel for the outstanding work you have done for us over the years.

Since 1999, Creative Apparel has produced more than 18,000 Chemical Protective Overgarments, on behalf of LANX Fabric Systems, with no customer returns due to quality problems. Creative Apparel deserves a tremendous amount of credit for the success we have enjoyed in the protective apparel marketplace.

As has always been the case, the technical expertise, innovation and manufacturing versatility Creative Apparel offers, continues to serve LANX Fabric Systems and our customers very well. We truly value your commitment to quality which translates into a commitment to the people we serve. With the growing competitive forces in the protective apparel industry, we appreciate knowing that Creative Apparel represents high quality work and a "no shortcuts" way of doing business.

I certainly look forward to working with you and the rest of the Creative Apparel staff for many years to come. I am completely convinced that Creative Apparel is one of our most valuable assets. If we might act as a positive reference for you in any endeavor, please feel free to use our name.

Best Regards,

Randall D. Lofland
Sales and Marketing Manager
