Attn: Mr. George Rybarczyk

Dear Mr. Rybarczyk:

Creative Apparel Associates (CAA) has been a staunch supporter of NISH and the JWOD Program for many years. Your firm's support goes back to the very beginning of JSLIST production when CAA unselfishly provided technical, engineering and manufacturing support to our Non Profit Agencies (NPAs) as they began production of these garments in FY-97. It continues to the present. CAA has allowed our manufacturing and technical people into your facilities and you have given them unprecedented access to your entire operation.

More recently CAA loaned a number of specialized machines to another NPA so that it could start production on a new project while saving it significant capital investment.

The efforts of CAA and you personally have insured that many disabled workers supported by NISH contracts have been able to secure meaningful employment. We sincerely appreciate your dedication and concern.

Sincerely,

A handwritten signature in black ink, appearing to read "Jack M. London".
