

SARATOGA™ **Tex-Shield, Inc.**

April 13, 2004

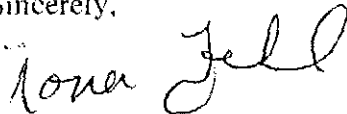

To Whom It May Concern:

As the manufacturer and world market leader in the area of chemical warfare protective fabrics, our customers demand consistent product performance and uncompromising quality. For over twelve years, Creative Apparel has been our manufacturing partner, constructing garments for specific end use requirements. Working with Creative Apparel, garments of many design variants and material systems have been delivered to the customers, complying with detailed manufacturing specifications and product delivery requirements. The compliance with both quality performance standards and delivery requirements has made Creative Apparel our manufacturer of choice for garments for Homeland Security.

Creative Apparel has a highly qualified and demonstrated manufacturing and development team. Working closely with Tex-Shield customers, Creative Apparel has developed garment designs for unique customer requirements. The SARATOGA HAMMER Suit, used by federal, state, and local law enforcement is one example of their garment design efforts. They have also assisted in the development of the SARATOGA HAMMER COVERALL, SARATOGA undergarments, and protective socks. Their understanding of garment manufacturing and creative problem solving have led to new options in protective garments.

Creative Apparel offers the unique combination of manufacturing and garment development expertise. Their commitment to quality and continuous product improvements insures the timely delivery of units in compliance with the highest quality standards.

Sincerely,

Nona Fahl
Vice President
